

## Irini-Kalisteni Avdelidi

### Contact Information

Architect, Urban and Regional Planner

Office Number 7.3, tel. +30 210 74 91638, e-mail [kavdelidi@ekke.gr](mailto:kavdelidi@ekke.gr); [avdelidi@gmail.com](mailto:avdelidi@gmail.com)

### Education

D.E.A.-Diplôme d'Études Approfondies (Master 2), Histoire de l'Art-Mention Art Contemporain, Recherches historiques et techniques, Université Paris 1

D.P.L.G. (Diplôme d'Architecte bac+6), École Nationale Supérieure d'Architecture de Paris La Villette

Maîtrise Nationale d'Aménagement et d'Urbanisme (Master 1), Université Paris 8

Licence d'Urbanisme, Université Paris 8

Certificat d'Études Moyennes Supérieures, Diplôme d'Aptitude à Accéder à l'Enseignement Supérieur section Scientifique B, Lycée Royal d'Ixelles

### Research Interests

Ecology, sustainability and the issue of the use of space in urban and wider geographical context.

Development of methodological and interdisciplinary approaches for the combination of social considerations with urban design and the geo-historical dimensions.

Exploration of the morphology of urban tissue and graphic representations as regards the description and the study of urban phenomena.

Analysis of urban environment by focusing on activities, uses, social-anthropological data and spatial proprieties of urban open public space.

### Professional Activities

1980-1991, σποραδικά έως 2004	Architectural, urban planning and design and transport studies by practicing the profession of architect as a freelancer (Athens), as employee of private consultancy firms (Paris, Vienna, Athens), as permanent employee of the consulting service of the Central Management Service of the Domestic Production KYDEP (Athens)
1981-1983	Research work in cooperation with Atelier de Recherches Techniques Avancées ARTA/CCI (Paris)

1988-1992	Research occupation in cooperation with National Centre for Social Research (Athens)
1996-2012	Research occupation as Special Scientist and Functional Special Scientist at the Institute for Urban and Rural Sociology of the National Centre for Social Research (Athens)
2012-2016	Research occupation as Functional Special Scientist at the Institute of Social Research of the National Centre for Social Research (Athens)

## Research Projects

2017-2020	Member of the research team of the project «REDI-Research, Education and Infrastructure» / Sustainable development and special interested-tourism activities in Marine Protected Areas
2014-2017	Scientific head in charge of the project "Social impact of urban design and planning on the sustainable development of cities" - WP5 of the research program "Social impact and public policies in the fields of energy, industry, urban design, and internet infrastructure" of the National Centre for Social Research, NCSR/ GSRT, (seven-members research team and 3 students for training, part of the extended research team of the whole program, publications/editing: 1 research report, 3 oral presentations (+5 by collaborators) in conferences, 5 articles, 8 book chapters, 1 book)
2015-2016	Scientific head in charge of non-funded with external grants research project "Everyday life and urbanity. Concepts, definitions and empirical observations in socially sensitive neighborhoods contiguous to large breaks through city tissue", of the Institute of Social Research of the National Centre for Social Research ISR/NCSR (one-member team, 1 paper, 1 electronic publication of the abstract, 1 research report)
2013	Member of the research team of the founded project “Management of Social Databases and Mapping Representations – SoDaMap” in the framework of the National Action “Development Proposals by Research Agencies- KRIPIS”, Operational Program “Competitiveness and Entrepreneurship”, OPCE II, NSRF 2007-2013, GSRT/NCSR/IMIS, (extended teams, 1 proposal-methodology report)
2012-2014	Scientific head in charge with K. Gortsos of the non-funded project “Urbanization and Public Space in the Eastern Coast of Attica: the birth of a problematic ‘city’”, of the Institute of Social Research of the National Centre for Social Research ISR/NCSR, (two-members team and 5 students for training, publications: 1 research report, 1 article, 1 book chapter)
2010-2012	Scientific head in charge of the non funded project “The Use of Natural Space in Athens - 2”, of the Institute of Social Research of the National Centre for Social Research ISR/NCSR, (one-member team and 2 students for training, 1 publication, 1 unpublished data base, diffusion of results in daily press)
2005-2009	Scientific head in charge of the project “Use of Natural Spaces of Athens – a complex indicator for inhabitants’ quality of life” realized as part of the larger research program Excellence II “Trends of Social Change in the Urban Space of Athens at the beginning of 21st century”, GSRT Action “Promotion of excellence in technological development

	and research”, of the Institute of Urban and Rural Sociology of the National Centre for Social Research IURS/NCSR (one-member research team and 7 students for training, part of the extended team of the whole program, 3 publications, 1 research report, 4 presentations in workshops and conferences)
2002-2005	Member of the research team for the project “Node Development for Secondary Analysis and Management of Social-Economic Data and Indicators”, GSRT, EU, of the National Centre for Social Research, GRST/EU/NCSR (extended teams, 1 proposal - report of results)
2004	Member of the research team for the project “Green cluster”, CRES, EU, Partners (BUGS, GREENSCOM, GREENSPACE, RUROS, URGE), (multi-member teams, 1 publication, 1 presentation in conference)
1999-2004	Scientific head in charge for the proposal and co-responsible for the project of the National Centre for Social Research as Associate Contractor to the European research project “Rediscovering the Urban Realm and Open Spaces”, Fifth Framework Program: “Energy, Environment and Sustainable Development” Key Action 4 “City of Tomorrow and Cultural Heritage” EU, CRES co-coordinator, DITEC, EIF, NCSR (EKKE), UCAM, UKASS, USHEFF, Municipality of Alimos, Municipality of Thermi, Ville Fribourg (11-members team of the NCSR, in the framework of the consortium of extended teams for the whole project, 1 publication, 1 e-publication x 5 in the different languages of the project, 1 Final Research Report, 9 presentations in workshops, 9 Milestones Reports of Research Results, 1 presentation in conference, 3 contributions and 2 participations for the Cordis Data Base of Exploitable Results of the European Research Service, 2 non-published works)
2001-2005	Scientific head in charge of the research project “Changes of the space and of its uses from the pre-urban to urbanization stage in Athens”, of the Institute of Urban and Rural Sociology of the National Centre for Social Research IURS/NCSR (one-member research team, 1 research report)
1997-2002	Member of the research team of the project “Drained lakes: social economic, ecological and cultural dimensions in Karla and Agoulinitza”, of the Institute of Urban and Rural Sociology of the National Centre for Social Research IURS/NCSR (two-members research team, 1 publication, 1 research report, 2 presentations, referenced evaluations, large diffusion of results in daily press and all media)
1997-1999	Member of the research team of the project “Big Greek Cities and Ports of Continental Greece”, IURS/NCSR (EKKE) (three-members team, 1 publication, 1 research report, reprints of cartographic material)
1996-2000	Member of the research team of the project “Social and Economic Atlas of Greece”, IURS/NCSR (EKKE), GSRT, Ministry of National Economy, CNRS, IFA, University of Thessaly (extended team of the IURS with other extended teams of the whole program, 3 publications, reprints of cartographic material and data)
1996-1997	Scientific head in charge for the proposal and the non-funded study “Renewable Energy Sources – spatial and social dimensions”, IURS/NCSR (EKKE) (one-member team, 1 research report)
1988-1992	Member of the research team of the project “Collective Consumption, social structure and urban organization in Athens”. NCSR (EKKE), Athens Urban Planning Service, Greek Society of Local Development, General Secretariat of Research and Technology

	GSRT, (8-members team, 1 publication, 1 Research Report)
1980-1983	Coordinator and scientific head in charge of the research project “Graphic simulation in the study of urban phenomena”, Atelier de Recherches Avancées ARTA / CCI (3-members team, 3 publications, 2 research reports, 1 exhibition of graphic results, 1 presentation)

## Teaching

2006-2016	Research training for students in sociology (10), social anthropology (2), urban and regional planning (3), geography (1), architecture (1)
	Member of several boards of examiners for obtaining the diploma of architect (Paris)

## Publications

### books / volumes

#### presentations

9/2018: Urban planning and distribution of private and public space in the case of the costal area of Eastern Attica (Volos)

9/2018: Urban design and public space regeneration interventions: Proposals for the development of a framework for the assessment of the social implications (Volos)

4/2017: Opening the session on Urban Design

1/2016: Presentation of the project «Social impact of urban design and sustainable development of cities» (Athens)

6/2015: Correlation of visual means with methodologies for 'describing urban environment (Tinos)

10/2013: Lakes Draining – surveying with H. Kovani (book presentation) (Metaxochori-Ayia)

6/2008: Use of Natural Spaces of Athens – a life quality indicator for the residents of the city (Athens)

4/2008: Use of Natural Spaces in Athens (Sofia)

6/2007: Use of Natural Spaces of Athens – research results (Athens)

6//2006: Construction of a life quality indicator for the residents of the city of Athens as regards the use of their free time and their activities in the public spaces related to the natural environment in the city (Athens)

6/2006: The Institute of Urban and Rural Sociology participated to the research project RUROS (Athens)

3/2006: The Institute of Urban and Rural Sociology participated to the research project RUROS (Athens)

11/2004: Monitoring and Assessment tools for Urban Green Space Management: Social Considerations in

## Urban Design (Ütrecht)

1/2004: Design Guidelines: Presentation, method, results, draft proposal for evaluation tool (Thermi)

6/2003: Thematic contents of design guidelines based on empirical results (Milano)

1/2003: Elaboration of the methodological based on the empirical results and focused on the triptych 'functions-uses-activities' of modern open spaces (Kassel)

9/2002: A range of parameters influencing the social use of spaces and social character of surrounding area (Athens)

1/2002: Framework of design guidelines to operate within different fields in relation to experience: Social level (Fribourg)

7/2001: Presentation of the background work concerning the social dimension of the project RUROS (Cambridge)

2/2001: Social and urban approach of the modern public open spaces (Athens)

4/1984: (in common) Architecture and Informatics (Athens)

5/1983: L'irrégularité du tissu urbain et de la forme de la ville (Paris)

## Other skills and personal data

Member of the Greek Union of Architects SADAS (1982-), of the Technical Chamber of Greece TEE (1982-), of IVSA (2016)

Member of the Trade Association of NCSR (EKKE) (2004-2006, 2006-2008)

Scholarship with distinction: Gottfried-von-Herder and sojourn in Vienna for urban research, Stiftung F.V.S. Hamburg-Universität Wien

Scholarship: Section des bourses d'études secondaires du Fonds National des Études du Ministère de l'Éducation Nationale de Belgique,

Preparation and submission of research proposals (~15), Paris, Wien, Athens

Citations (except self-citations): ~120

Evaluation of research proposals of inter-states programs and of national research projects, GSRT

Work out of expert scientific and technical data with re-printings and posts

Development of methodologies and elaboration of tools for the morphological exploration of the urban tissue (ARTA, NTUA, NCSR)

Participations in archaeological excavations programs: Orange, Glyky

Drawing

Rhythmic gymnast at a young age

Mother of biologist Artemis Korniliou

Languages: Greek, French, Romanian, English, German
