CURRICULUM VITAE

ANASTASIA CHARALAMPI

November 2026

CONTACT DETAILS

Full name:	Anastasia Charalampi
Adress:	Archimidous 8, Kallithea, 177 78 (Greece)
Phone:	+30 6948886716
e-mail:	acharalampi@ekke.gr

ACADEMIC QUALIFICATIONS

6/2018: Ph.D., Department of Social Policy
Panteion University of Social and Political Sciences, School of Political Science
Title of doctoral dissertation: *The importance of items' level of measurement in investigating the structure and assessing the psychometric properties of multidimensional constructs*
Counseling committee:
Catherine Michalopoulou, Professor (Supervisor)
Clive Richardson, Professor
Maria Symeonaki, Associate Professor

2012-2014: Master's degree, Department of Social Policy
Panteion University of Social and Political Sciences, School of Political Science
Postgraduate degree course: Social Policy: Methods and Applications
Specialisation course: Social Protection and Social Cohesion
Title of master thesis: *Investigating the dimensionality of the Schwartz scale of human values: Evidence from the European Social Survey of 2002 for Greece and Slovenia*
Catherine Michalopoulou, Professor (Supervisor)
Clive Richardson, Professor
Maria Symeonaki, Associate Professor

2007-2011: Bachelor's Degree, Department of Political Science and Public Administration
National and Kapodistrian University of Athens, School of Economics and Political Sciences
Specialization cycle of courses: Administrative Science

APPOINTMENTS

10/2026-present: Research C Grade
National Centre for Social Research (EKKE), Institute of Political Research

10/2022-9/2023: Adjunct Lecturer (Academic scholarship), Department of Social Policy
Panteion University of Social and Political Sciences

Operational Programme "Human Resources Development, Education and Lifelong Learning"

Undergraduate courses (2022-2023):

- Statistics I: Descriptive Statistics
- Statistics II: Sample Survey Theory and Practice
- Statistical Inference

10/2021-9/2022: Adjunct Lecturer (Academic scholarship), Department of Social Policy
Panteion University of Social and Political Sciences
Operational Programme "Human Resources Development, Education and Lifelong Learning"

Undergraduate courses (2021-2022):

- Statistics I: Descriptive Statistics
- Statistics II: Sample Survey Theory and Practice
- Statistical Inference

5/2020-8/2020: Research associate (contract), University Mental Health, Neurosciences, & Precision Medicine Research Institute (UMHRI), Athens, Greece

2015-2025: Research associate – researcher in research projects at the National Centre for Social Research (EKKE) (1/2015 - 4/2015, 6/2020 - 8/2021, 3/2024 - 6/2024, 10/2024 - 11/2024, 11/2024 - 2/2025, 2/2024 - 9/2025, 5/2025 - 9/2025)

RESEARCH EXPERIENCE

1. Postdoctoral Fellow, Department of Social Policy
   Panteion University of Social and Political Sciences, School of Political Science
   (5/2022-6/2025)
   Title of postdoctoral research: *Investigating the comparability of constructs overtime: The case of wellbeing measurements in the European Social Survey, 2006 and 2012*
   Catherine Michalopoulou, Professor (supervisor)

2. Postdoctoral Fellow, Department of Social Policy
   Panteion University of Social and Political Sciences, School of Political Science
   (12/2018-1/2022)
   Title of postdoctoral research: *Investigating the theoretical structure and assessing the psychometric properties of the wellbeing measurement: Evidence from the European Social Survey, 2006 and 2012*
   Catherine Michalopoulou, Professor (supervisor)

3. Research associate - Researcher in the research program titled "KETHI study – Women in family and work in Greece Today: New conditions/New challenges for gender equality" **(5/2025-9/2025)**
   National Centre for Social Research (NCSR)

Principal Investigator: Joanna Tsiganou, Director of Research, NCSR
Objective: The empirical investigation of the position of women in family and work in Greece today, within the context of new conditions and challenges for gender equality
Deliverable: Design, analysis, and processing of data from the project's empirical research. Preparation of the deliverable report.

4. Research associate - Researcher in the research program titled "Resilience, inclusiveness and development: Towards a just green and digital transition of Greek regions" (JustReDI, TAEDR-0537352) **(2/2024-9/2025)**
National Centre for Social Research (NCSR), International Hellenic University, "Athena" RC, National Observatory of Athens, University of West Attica and και Hellenic Centre for Marine Research
Scientific coordinator: Nicolas Demertzis, Professor, National and Kapodistrian University of Athens
Description: Qualitative and quantitative research
National Recovery and Resilience Plan "Greece 2.0", Action "Promotion of basic and applied research with code 16618
Co-financed by Greece and the European Union.

5. Research associate - Researcher in the research program titled "Evaluation of the social impact of gambling in Greece today" **(11/2024-2/2025)**
National Centre for Social Research (NCSR)
Principal Investigator: Joanna Tsiganou, Director of Research, NCSR
Objective: Participation in the development of a questionnaire, statistical analysis of findings, and drafting a section of the quantitative research report
Deliverable: Quantitative research questionnaire and research findings report

6. Research associate - Researcher in the research program titled "RaRE-Understanding Risk and Resilience in the Educational Performance of Refugee Children and Youth" **(10/2024-11/2024)**
National Centre for Social Research (NCSR)
Principal Investigator: Theoni Stathopoulou, Director of Research, NCSR
Objective: Statistical analysis of the project's results, participation in the writing of the final report.
Deliverable: Report on the statistical analysis of the project's results.
The research project was supported by the Hellenic Foundation for Research and Innovation (H.F.R.I.) under the "2nd Call for H.F.R.I. Research Projects to support Faculty Members & Researchers" (Project Number: 4350)

7. Research associate - Researcher in the research program titled "Gender discrimination in multiple crises" **(3/2024-6/2024)**
National Centre for Social Research (NCSR)
Principal Investigator: Joanna Tsiganou, Director of Research, NCSR
Description:
   - Participation in the design of the methodology of the quantitative research
   - Statistical analysis of the questionnaires

Basic Research Financing Action "Horizontal support of all Sciences", Sub-action 2, National Recovery and Resilience Plan "Greece 2.0" funded by the European Union – Next generation EU, project promoter Hellenic Foundation for Research and Innovation (HFRI)

8. Researcher in the research program titled «Safe At Work» **(5/2022-9/2022)**
Panteion University of Social and Political Sciences, School of Political Science
Scientific coordinator: Maria Stratigaki, Associate Professor of Social Policy
Description: Quantitative research, participation in the design and statistical analysis of the questionnaire
Grand agreement between grant administrator "BODOSSAKI FOUNDATION" and project promoter "ACTIONAID HELLAS".

9. Researcher in the research program titled "Harassment in the workplace of the public sector" **(6/2021-10/2021)**
Koinoniko Polykentro of the Greek Civil Service Confederation (ADEDY)
Scientific coordinator: Maria Stratigaki, Associate Professor of Social Policy
Description: Quantitative research, statistical analysis of the questionnaire
Co-financed by Greece and the European Union (European Social Fund- ESF) through the Operational Programme "Reform of the Public Sector 2014-2020".

10. Principal Investigator - Responsible for the implementation of the competitive research project "Greece and Southern Europe: Investigating political trust to institutions, social trust and human values, 2002-2017", MIS 5049524 **(6/2020-8/2021)**
National Centre for Social Research (NCSR)
Academic Advisor: Joanna Tsiganou, Director of Research, NCSR and Associate Academic Advisor: Catherine Michalopoulou, Professor, Panteion University of Social and Political Sciences
Co-financed by Greece and the European Union (European Social Fund- ESF) through the Operational Programme "Human Resources Development, Education and Lifelong Learning 2014-2020".

11. Participation in the research program "EUROGRADUATE Pilot Survey" **(11/2018-2/2019)**
Panteion University of Social and Political Sciences
Scientific coordinator: Maria Symeonaki, Associate Professor Description:
- Communication with Universities and collection of data on graduates from the academic years 2012-13 and 2016-17 in order to invite them to participate in the research
- Participation in the analysis of the research data

12. Participation in the European research program Negotiate (Horizon 2020) **(5/2016-7/2016)**
The University of Basel, Seminar für Sociologie
Description: Development of a data base with open job positions in 5 occupational sectors, recruiter contacts under the Swiss part of the project "Negotiating early job-insecurity and labour market exclusion in Europe" NEGOTIATE, H2020 funded under State Secretariat for Education, Research and Innovation (SERI).

13. Authorship of a guide for Social Accounting and Audit (SAA) and Social Return on Investment (SROI) in order to measure the performance of Community Enterprises **(1/2015-4/2015)**
National Centre for Social Research (NCSR)
Scientific coordinator: Manolis Chrysakis, Director of Research, NCSR

14. Participation as a volunteer in the Health Behaviour in School-aged Children" (HBSC) research study **(1/2014-4/2014)**

University Mental Health Research Institute
Scientific coordinator: Anna Kokkevi, Emeritus Professor at University of Athens

15. Participation as a trainee in the "Documentation of Political and Social History of the 20th century" research program **(1/2012-5/2012)**
National Hellenic Research Foundation, Institute of Historical Research
Scientific coordinator: Leonidas Kallivretakis, Research Director, Section of Neohellenic Research

PUBLICATIONS

ORCID: 0000-0002-1524-3318,
SCOPUS AUTHOR ID: 57193839840

Books

1. Tsiganou, J. & Charalampi, A. *How safe do you feel? Investigating Southern Europeans' perceptions of (un)safety based on the European Social Survey datasets for 2002-2022.* Manuscript in preparation.

Papers

1. Charalampi, A. (under review). Gender discrimination in multiple crises: Comparison of mixed-modes of data collection in survey research.
2. Prokou, E., Bagavos, C., Charalampi, A., & Michalopoulou, C. (2025). Greek undergraduate students: "Stagnant", "perpetual" or simply dropouts? *Academia*, 39-40, 28-47. https://doi.org/10.26220/aca.5251
3. Charalampi, A. (2023). Investigating the dimensionality of values scale of Schwartz: Evidence from 2010 European Social Survey for Greece. *The Greek Review of Social Research*, *160*, 143-167 (in Greek). https://doi.org/10.12681/grsr.33197
4. Charalampi, A., Tsouparopoulou, E., Tsiganou, J., & Michalopoulou C. (2021). Creating overall measurements of constructs for comparative research: A methodological study. *Ask: Research and Methods*, *30*(1), 25-56. https://doi.org/10.18061/ask.v30i1.0002
5. Charalampi, A., Michalopoulou, C., & Richardson, C. (2020). Validation of the 2012 European Social Survey measurement of wellbeing in seventeen European countries. *Applied Research in Quality of Life, 15*(1), 73-105. https://doi.org/10.1007/s11482-018-9666-4
6. Charalampi, A., Michalopoulou, C., & Richardson, C. (2019). Determining the structure and assessing the psychometric properties of multidimensional scales constructed from ordinal and pseudo-interval items. *Communications in Statistics – Case Studies, Data Analysis and Applications*, *5*(1), 26-38. https://doi.org/ 10.1080/23737484.2019.1579683
7. Pappa, A. S., Ginieri-Coccossis, M., Richardson, C., Charalampi, A., Liappas, I. A., & Paparrigopoulos, Th. (2016). Appraisal of a specific scale for quality of life (AlQoL-9) in Greek alcohol dependent individuals attending: A confirmatory factor analysis. *Psychiatriki*, *27*(1), 17-26.

Contribution in a collective project

1. Charalampi, A. (in print). Mixed-mode methods in survey research: Issues of item nonresponse. In G. Petraki, M. Stratigaki, & J. Tsiganou (Eds.), *Gender discrimination in multiple crises*, Volume Two: Case Studies. National Centre for Social Research (in Greek).
2. Charalampi, A. & Tsiganou, J. (2026). Trust in political institutions and social trust: Evidence from the European Social Survey and the European Values Study for Southern Europe, 2008. In J. Tsiganou, A. Yfanti, & A. Charalampi (Eds.), *Proceedings of the 9th National Conference of the Hellenic Sociological Society* (pp. 287-313). Hellenic Sociological Society (in Greek).
3. Charalampi, A. & Michalopoulou C. (2025). Modeling functioning as a determinant of wellbeing: A mediation analysis. In Y. Dimotikalis & C. H. Skiadas (Eds), *Data Analysis and Related Applications 5: Models, Methods and Techniques* (pp. 35-51). iSTE-WILEY. https://doi.org/10.1002/9781394401604.ch3
4. Charalampi, A., Michalopoulou, C., & Richardson, C. (2025). Exploring measurement invariance: Political trust in national institutions across social groups. In C. H. Skiadas & C. Skiadas (Eds), *Quantitative Methods and Data Analysis in Applied Demography – Volume 2: Data, Models, Risk and Surveys* (pp. 253-268). The Springer Series on Demographic Methods and Population Analysis 58. https://doi.org/10.1007/978-3-031-82279-7_20
5. Charalampi, A. (2023). Theory development of constructs: Conducting EFA using SPSS and Mplus. In N. Demertzis & N. Charalampi (Eds), *Proceedings of the 8th National Conference of the Hellenic Sociological Society* (pp. 1162-1176). Hellenic Sociological Society (in Greek).
