
CURRICULUM VITAE

NIKOLAOS G. GEORGARAKIS

NOVEMBER 2013

Brief Summary

Nikolaos G. Georgarakis is a researcher at the National Center of Social Research. He studied Political Science in Panteion University and completed his post-graduate studies in Political Science and Political Sociology in the University of Paris (Paris II), as a scholar of both the “Alexander Onassis” Foundation and the State Scholarship Foundation.

He served as Secretary General of the National Centre for Public Administration and Local Government of the Ministry of Administrative Reform & E-Governance from February 2010 until September 2012. He also served as the Director of the National School of Public Administration and deputy Secretary and Coordinator of the Secretariat of the OP “Clisthenes” for the modernisation of the Public Administration. He was a national expert in the Committee for Public Management (PUMA) of the Organisation of Economic Cooperation and Development (OECD) for several years. N.G. Georgarakis served as a special scientist on issues of Administrative Organisation at the Ministry of Interior, Public Administration & Decentralisation, as well as a Studies & Research Advisor at the National Centre for Public Administration & Local Government on issues regarding Public Management. He also served as Special Advisor on European Social Fund issues.

Mr. N. G. Georgarakis worked as a coordinator and as a member of research groups in a large range of issues regarding the state’s social structures and organisation, the design, implementation and evaluation of policies and educational/training programmes for the human resources in the Hellenic and Cypriot administration, as well as issues regarding social exclusion and migration policy.

He has been a mandated professor at the Post-Graduate Studies Programme of the Panteion University’s Department of Public Administration and at the Cypriot Academy of Public Administration. He has published articles, studies and research reports and has participated in a significant number of scientific colloquia and conferences in Greece and abroad.

Mr. N. G. Georgarakis was announced as Officer of the Order of Academic Palms of the French Republic by the Decree of 9th October 2012.

a. European

1. Member of the research team for the program “Promotion of gender mainstreaming in public policies”. The aim of the project is to examine by means of quantitative and qualitative tools the magnitude of gender mainstreaming in the enforcement of public policies in Greece. The project also targets at investigating the means and ways of incorporating the gender budgeting in every aspect of public budgeting procedures. Target also rests in exploring the political values and culture of the female population of the country in the middle of the present economic crisis and examine ways for promoting social benefits for the vulnerable categories of women. (2012 – 2014)
2. Participation as a research member in the “Leonardo da Vinci” Life Long Learning Educational Consortia Project under the title “The quality of the educational tools, the multi-tools and the combined learning for an effective professional education and post graduate education emphasizing on the support of the immigrants against social exclusion as well as the support of trans-cultural communication”. Within the framework of the project, participation in two working meetings held one in Prague (4-8.6.2013) and another one in Berlin (18-21.6.2013). Project’s code: BBMedia with the participation of Universities and Institutes from Germany (Coordination), Austria, Bulgaria, Cyprus, Czech Republic, Greece, Hungary, The Netherlands, Slovenia. Greece is represented with the participation of the University of Athens through its Media Faculty. 2011 – 2013.
3. Member of the working team for the elaboration of a study on “*Public Administration and Public Policy. The Immigration Policy*, EKKE, 2012 -2013”, within the framework of a research on the Meta-analysis of the research conducted regarding immigration in fields relevant to the integration policy (health, social security, labour, education etc). More specifically, the project deals with data sources spotting, with the systematic review, coding,

composing, interpreting and meta-critically approaching the quantitative and qualitative empirical research that examines the integration procedure for the Third Countries Nationals (TCN) in the Greek society from the beginning of the '90s until today. Within the aforementioned procedure, the detection, estimation and aggregation of the heterogeneity of the findings are pursued and the same goes for the response to questions that were not addressed by the preliminary studies. In the framework of the project all aspects of integration are covered (labour market, housing, education, health, insurance, social and political participation) and examined horizontally and the fundamental human rights protection level is evaluated in regard with the migrating population. Project 2.1.b/11 of the European Integration Fund. Package responsible: D. Balourdos – I. Tsiganou. 2012 – 2013.

4. Member of the research project under Action 4.1/11: Creation of cooperation networks for immigration and integration issues. Project 4.1.a/11: Development of a cooperation network among Mediterranean m/s representatives that deal with, similar to Greece's, challenges regarding the integration of Third Countries Nationals. The project was implemented under EKKE's responsibility in cooperation with Charokopeio University and ELIAMEP, ETE/YPES/2011 (implementation period 2011-2013).
5. Member of the research team for the implementation of the European Social Survey (ESS), an international comparative empirical research in Greece under the scientific responsibility of I. Ifantopoulos and I. Voulgaris (5th wave) after the approval of BG of EKKE, financed by the GSRT - Ministry of Development and the funding framework ESF (5th, 2011-). More specifically, I participated as a member of the coordination, organization and supervision group responsible for the fieldwork.
6. Member of the research team for the implementation of the European Social Survey (ESS). 2009-2010. ESS is an international comparative empirical research in Greece under the scientific responsibility of I. Ifantopoulos and I. Voulgaris (4th wave) after the approval of BG of EKKE, financed by the GSRT - Ministry of Development and the funding framework ESF (4th, 2009-2010). More specifically, I participated as a member of the coordination, organization and supervision group responsible for the fieldwork.
7. Member of the research team for the elaboration of the European Social Survey (ESS). 2001-2003 and 2003-2005. ESS is an international comparative empirical research in Greece under the scientific responsibility of P. Kafetzis and I. Voulgaris (1st wave) and Ch. Lyrintzis and I. Voulgaris (2nd wave) after the approval of BG of EKKE, financed by the GSRT - Ministry of Development and the funding framework ESF (1st and 2nd wave, 2001-2003 and 2003-2005). More specifically, I participated during both waves as a member of the coordination, organization and supervision group responsible for the fieldwork.
